ADMISSIONS POLICIES AND PROCEDURES

All applicants receive a holistic application review, and the final admission decision is based on the student’s potential for attaining a degree at Western. Applicants are evaluated based on a variety of factors, including previous academic achievement, test scores, essay, letter of recommendation, rigor of academic history, leadership potential, diversity of experience, and the depth of participation in extracurricular activities.

Academic performance is not the sole criterion of admission to the university. Western Colorado University recognizes that academic preparation may take several forms and that students contribute to campus in a variety of ways.

**Criteria for Admission of Students Seeking an Additional Undergraduate Degree**

Students seeking an additional undergraduate degree must meet all residency and major and/or minor requirements. This includes at least 30 credits in residence at Western. Students are considered to have satisfied first-year students and sophomore-level General Education requirements by virtue of the work completed for their first undergraduate degree.

Students who leave Western and wish to return are required to apply for readmission. The student’s initial catalog year will be honored for up to six years. If six years or more have passed since the initial catalog year (typically initial entry year), the catalog will be updated to the current catalog year, and those requirements must be met for graduation. Catalog extensions can be requested and must be approved by the major department. Upon readmission, a student will receive the same academic standing under which she/he left. For example, a student who left the University in good standing will be readmitted in good standing; a student who left while on academic probation will be readmitted on academic probation.

Students who have attended other institutions during their absence from Western must also request that official transcripts be sent to Western Colorado University by all colleges or universities attended. Courses that have a letter grade of “C-” or better may be considered for transfer credit. Grades earned at other institutions are not included in the calculation of grade-point averages at Western. Contact the Office of the Registrar or navigate to www.western.edu/reg/forms/ to obtain a readmission application.

**Deferral Policy for Offers of Admission**

Any new student who is admitted to Western Colorado University who would like to defer their enrollment must contact the Admissions Office. The original admission decision will stand unless other negating circumstances occur, such as the student failing to graduate from high school or having unsatisfactory performance at a transfer institution.

**Criteria for Admission of Non-Degree Seeking Students**

An applicant not wishing to pursue a degree at Western may be admitted as a non-degree student by completing the undergraduate application as a non-degree student. Western sets policies regarding the non-degree admissions process, criteria for acceptance, limitation of credit, and the courses available to non-degree students.

Should the student wish to pursue a degree in the future, a regular undergraduate application form must be completed, and the admissions requirements in effect at that time must be met. A maximum of 12 credits taken as a non-degree student will apply toward a degree at Western. Exceptions may be considered on a case-by-case basis. For further information, contact the Admissions Office.
• Western only applies grades earned through Western toward the calculation of GPA.
• Western will only grant upper division credit if the transfer course is taken at an upper division level, regardless of Western equivalency.
• No credit will be granted for remedial or vocational-technical courses; except for some military training, as part of an articulation agreement, or for students admitted in the Adult Degree Completion program whereby no more than 12 vo-tech or professional pathway credits will be granted as general elective credit at Western.
• Courses recommended by the American Council on Education may be considered for credit.
• Total combined credit permitted under AP, IB, Challenge Exams, Experience-Based Learning Portfolio Assessments, and CLEP exams leading to credit is limited to 40 semester credits, with a maximum of 18 semester credits allowed for CLEP and a maximum of 30 credits allowed from Experience-Based Learning Portfolio Assessments.
• Continuing students must receive approval in advance for transfer credit.
• Credit earned from non-Western Study Abroad programs are treated as transfer credit.
• To graduate from Western, students must complete a minimum of 30 credits at Western. At least 15 credits in the major and at least 8 credits in the minor. Of the 40 upper division credits, numbered 300, 400, or 600, required for graduation from Western, at least fifteen credits must be courses in the major. Exceptions to evaluations of transfer credit by the Office of the Registrar may be requested by the appropriate academic department.

Exceptions to evaluations of transfer credit by the Office of the Registrar may be requested by the appropriate academic department.

Credit accepted in transfer that are comparable to those offered at Western, or are State guaranteed transfer General Education courses (gtPathways), may apply toward satisfying requirements of the major and minor programs. Non-equivalent courses, or those excluded from acceptance toward any of Western’s program requirements, may be accepted as electives.

Transfer credit accepted on a provisional basis from a college, which is a candidate for accreditation (as recommended in the American Association of Collegiate Registrars and Admissions Officers Transfer Credit Practices), can only be validated by the student completing 30 credits at Western with a 2.000 cumulative grade-point or better.

Foreign Institutions
Credit will be considered for courses taken at foreign institutions that are formally recognized as an institution of higher education by a given country’s Ministry of Education. The same general parameters apply for course content and grades as they do for U.S. credit consideration.

Study Abroad
Credit earned from non-Western Study Abroad programs are treated as transfer credit.

Credit for Advanced Placement
Western awards credit for Advanced Placement in all subject areas. A minimum score of 3 is required for credit to be granted for most AP tests (for some tests, a score of 4 is required). Scores must be submitted by the College Board directly to the Admissions Office.

Credit for International Baccalaureate Program
Western recognizes the International Baccalaureate (IB) Program. Western grants credit based on performance on individual IB exams for students who have completed the IB diploma program as long as all scores are 4 or greater. Students who have not completed the diploma program may be awarded credits for individual IB certificate courses as long as the scores are 4 or greater. For further information on how IB certificates will be awarded credit, contact the Office of the Registrar. Official IB scores must be sent to the Admissions Office from the International Baccalaureate Organization.

Credit for Military Service
Military service credit is evaluated when official copies of transcripts for military schools are received. Army, Navy, and Marine personnel submit a Joint Service Transcript (JST). Air Force personnel submit a Community College of the Air Force (CCAF) Transcript. Courses are evaluated according to the American Council on Education (ACE) Guidelines. A maximum of 25 semester hours of credit is counted toward a baccalaureate degree.

Credit for Transfer from Two-Year Colorado Public Colleges
Articulation agreements and transfer guides have been developed with all of the Colorado two-year institutions. Transfer students from Colorado two-year programs who graduate with an Associate of Arts or Associate of Science degree will be considered to have satisfied Western’s General Education Program.

Credit for Transfer from Non-Traditional Programs
Western may accept credits for both military service training and non-traditional training as recommended by the American Council of Education. The maximum number accepted by Western toward a Bachelor’s degree is 30 semester credits.

Credit for College Level Examination Program (CLEP)
Western will award credit for both the general and subject CLEP exams for a maximum award of 18 semester credits for any combination of CLEP and challenge examinations. In awarding credit, Western generally follows the recommendations of the American Council on Education, who award on the basis of a scaled score of 50, with the exception of some foreign language exams. For a list of subjects and courses awarded CLEP credit, contact the Office of the Registrar. Scores must be submitted by the College Board directly to the Office of the Registrar.

Credit for Challenge Examinations
Western will award course credit for prior learning to students who successfully test out of GT Pathways courses by receiving a score equivalent to a grade of “C-” on a course challenge exam. Challenge exams are created by discipline faculty for GT Pathways courses for which a CLEP exam is not available. A list of GT Pathways courses with challenge exams, as well as challenge exam policies, is available on the Office of the Registrar web page. Western allows a maximum of 18 credits for any combination of CLEP and challenge exams. Credits received through challenge exams will not count toward satisfying Western’s residency requirement.

Resolution of Transfer Disputes among Colorado Institutions
Students transferring from Colorado institutions may file an appeal of Western’s evaluation of their transfer credits by adhering to the following
procedure. The Office of the Registrar is responsible for the appeals process. The appeal must be filed in writing to the Office of the Registrar of Western Colorado University within 15 calendar days of notification of the evaluation. Failure to file in this timely manner means that the original evaluation will be binding. Western will respond to any timely appeal in writing within 15 calendar days of the receipt of the appeal.

If the initial appeal does not resolve the dispute, the student may appeal in writing to the student's previous institution(s) within 15 calendar days. The presidents of the two institutions (or their representatives) may then resolve the dispute. If the issue is still not resolved, the student may file an appeal with the Colorado Commission on Higher Education (CCHE) within 15 calendar days of receipt of written notification by Western of the presidents' decision. The CCHE may then resolve the dispute. The decision of CCHE will be final and binding.

**General Admission and Recruitment Policy**

Western Colorado treats students ethically, respectfully and professionally in the marketing, recruiting, admissions and financial aid process so that students can make informed enrollment decisions about matters such as enrollment and financial aid without being subjected to high-pressure tactics from the institution or a related contractor, including but not limited to:

a. Falsely claiming that enrollment spots are limited or taking advantage of students' lack of understanding to pressure students to enroll;

b. Pressuring students to make an immediate financial aid decision;

c. Engaging in repeated unsolicited contact.

Western Colorado University promptly honors any request from a student to remove that student's name from phone, email or other contact lists. Student information collected through any aspect of the institution's enrollment processes is maintained and protected as outlined in the institution's data privacy policy, which must be prominently posted on the institution's website.

Western Colorado University shall not induce or pressure a student to enroll by a specific deadline outside of the regular process of scholarship monies, institutional discounting, fee waivers, financial aid, other assistance or institution-branded gifts of nominal value.

In addition to a policy related to return of Title IV funds, the institution has a refund policy to assure that students receive a refund where appropriate if they withdraw from an academic term or from an institution according to policies set forth by the institution.

Western Colorado University does not otherwise engage in aggressive or deceptive recruitment tactics or conduct, such as may be defined and prohibited by federal regulations. This prohibition includes, but is not limited to, the following institutional acts or omissions:

a. Obtaining students' contact information through websites that falsely claim to provide assistance with finding employment or obtaining government benefits;

b. Discouraging students from consulting with parties unrelated to the institution prior to finalizing their decisions or commitments;

c. Failing to timely respond in a timely way to students' requests for additional substantive information related to enrollment or loan obligations.

Western Colorado University will not use threatening, abusive, or manipulative language to influence a student's decision.

**Service Member Recruitment Policy**

Western Colorado University will refrain from using high-pressure recruitment tactics such as making multiple unsolicited contacts (3 or more), including contacts by phone, email, or in-person, and engaging in same-day recruitment and registration for the purposes of securing Service member enrollments. Western will not reach out to Service members with non-essential communications more frequently than once a week. Western Colorado University prohibits high-pressure or aggressive recruitment of service members.
