## GENERAL EDUCATION

As an institution whose mission seeks to unify traditionally separate academic domains in the pursuit of preparing students for an ever more complex world and to instill in them the values of the liberally educated, Western Colorado University requires all graduates to complete General Education requirements. Through Western's General Education program, students are exposed to a wide variety of subject matter and fields of study which have evolved through time to include diverse perspectives and experiences which reflect and embrace the above mentioned principles which define the role and mission of our university.

The General Education Program provides a foundation for analytical discovery, independent thinking, and informed and engaged citizenship. General Education courses require students to engage the knowledge, perspectives, and methods of specific disciplines while developing essential skills. In so doing, students increase their understanding of themselves, the natural world, the bases of our society and institutions, the larger world, and their relationships. These courses offer a foundation for further studies and continued intellectual growth.

The thirty-five credit General Education Program contains two components:

- Essential Skills (9 credits) and
- the Liberal Arts (26 credits).

## I. Essential Skills (9 Credits)

The purpose of the Essential Skills requirements is to provide students with the tools needed to reason, write, speak, read, quantify, and use information and technology in new ways of thinking and doing. The acquisition, application, and integration of the Essential Skills are practiced through the General Education curriculum and within courses in the disciplines during the students' university careers.

Students must earn a minimum grade of "C-" in the following courses to fulfill the Essential Skills requirement:

3 The mathematics requirement varies by program of study (major, emphasis, minor). Many programs have specific requirements beyond the University minimum. In all cases, these specific requirements satisfy the University Mathematics Course requirement. To select the appropriate courses, see the Academic Programs section of this Catalog.
If there is no specific mathematics requirement within a program of study, the minimum Mathematics Course requirement of the University may be satisfied by passing, with a minimum grade of "C--"any university-level mathematics course numbered 100 or above.

Enrollment in university-level mathematics courses (numbered 100 or above) requires mathematics abilities consistent with the university entry-level expectations defined by the Colorado Commission on Higher Education. Students should consult with their advisors about which mathematics course is appropriate.

## II. Liberal Arts ( $\mathbf{2 6}$ Credits)

Each of the courses included in the Liberal Arts program extends the development of Essential Skills while examining the social sciences, natural sciences, and the arts and humanities. Courses in the Liberal Arts program may also satisfy major and/or minor requirements.

## Area I: Social Sciences ( 9 credits)

Courses in Area I focus on the following goals:

- Students use social science methods and reasoning.
- Students demonstrate knowledge of how historical, political, economic, cultural, or social contexts shape the human environment.
- Students demonstrate knowledge of how individuals relate to the social world, past and present.

Nine credits are required from the courses listed below. Students must choose from three disciplines.

| Code | Title Cred | Credits |
| :---: | :---: | :---: |
| Select nine credits of the following: |  |  |
| ANTH 107 | Introduction to General Anthropology (GT-SS3) ${ }^{1}$ |  |
| BUAD 101 | Business of Life |  |
| ECON 201 | Macroeconomics (GT-SS1) ${ }^{1}$ |  |
| EDUC 102 | Learning \& Teaching (GT-SS3) ${ }^{1}$ |  |
| EDUC 202 | Education and Schooling in the U.S. (GT-SS3) ${ }^{1}$ |  |

${ }^{1}$ Colorado State Guaranteed General Education Transfer Course.

## Area II: Natural Sciences (8 credits)

Courses in Area II focus on the following goals:

- Students demonstrate knowledge of scientific viewpoints.
- Students use the scientific method.
- Students evaluate the impacts of science and technology on society.
- Students demonstrate scientific literacy.

Eight credits are required from the courses listed below:

| SPAN 101 | Elementary Spanish I |
| :--- | :--- |
| SPAN 102 | Elementary Spanish II |

Total Credits 9
${ }^{1}$ Colorado State Guaranteed General Education Transfer Course.

## Colorado State Guaranteed General Education Transfer Courses

Western Colorado University students who transfer to another Colorado public college or university may facilitate the transferring of general education credits by completing courses designated as State Guaranteed General Education Transfer Courses. Upon acceptance to another Colorado public college or university, students may have up to 31 credits of successfully completed (C- or better) State Guaranteed General Education Transfer Courses meet specific general education requirements of the receiving institution. Courses must incorporate specific content and competency areas as defined by the State Guaranteed General Education Transfer Curriculum. For more information regarding State Guaranteed General Education Transfer Courses and the 31-credit State Guaranteed General Education Transfer Curriculum, please consult the Colorado Department of Higher Education website: http://highered.colorado.gov.

Credits earned in general education courses not designated as State Guaranteed General Education Transfer Courses routinely transfer to other colleges and universities as determined by the receiving institution. A student transferring credits to another college or university should consult with the receiving institution to determine how transferred credits may meet particular general education requirements.

| Code | Meaning |
| :--- | :--- |
| GT-CO1 | Colorado Guaranteed General Education Transfer Course, <br> Introduction to Writing |
| GT-MA1 | Colorado Guaranteed General Education Transfer Course, <br> Mathematics |
| GT-SS1 | Colorado Guaranteed General Education Transfer Course, <br> Economics of Political Systems |
