

PUBLIC HISTORY EMPHASIS (WITH A 3+2 MASTER IN ENVIRONMENTAL MANAGEMENT)

The Public History emphasis with a 3+2 MEM allows students to complete the B.A. in History with Public History emphasis and the Master in Environmental Management at Western in five years. The Public History Comprehensive major requires a minimum of 65 credits, including the required 33 credit History Core, 23 credits of required supporting courses and 6 credits of designated elective courses.

Upon successful completion of the prescribed Public History program, University defined General Education, and elective requirements totaling 120 credits (with 40 at 300-level or higher), students are eligible for the B.A. conferral. Students electing to complete the MEM must follow the balance of their declared emphasis curriculum. To remain qualified for the 3+2 by the end of his/her sophomore year each student must have:

- Maintained a 3.0 cumulative GPA and a 3.25 within the major
- Completed 65 credits
- Completed General Education credits

By the end his/her junior year

- Fulfilled the 3-credit internship requirement with a B or above and positive letter from the project sponsor
- Provided three letters of reference from professors or supervisors in related fields
- Provided an 8-10 page writing sample
- Provided a written 800-1,000 word Statement of Purpose to the MEM program, describing the student's intellectual and professional interests in environmental management and the connections to the field(s) of Public History

In addition to meeting the requirements above, and after Junior Year and completion of Public History emphasis requirements (95 credits in this plan), students will be designated as "MEM candidates with provisional acceptance." Upon completion of the final 29 credits of the Western B.A. after Year Four of this plan, students will be designated as "MEM degree seeking students." Students who have completed all other requirements of the 3+2 program and all Western undergraduate requirements, yet choose to leave the MEM program before Year 5, will still be able to complete the HIST undergraduate emphasis in Public History and the 120 credits necessary for a Western undergraduate degree within 4 years.

A minimum of 65 credits is required, including the required 33 credit History Core, 23 credits of required supporting courses and 6 credits of designated elective courses.

Code	Title	Credits
HIST 200	Historical Inquiry	3
HIST 370	Public History	3
HIST 371	Oral History Workshop	3
HIST 372	Monuments and Museums	3

Select one of the following MEM Emphases: **3**

ENVS 616	Environmental Organization Development and Management	
ENVS 617	Global Sustainability	
ENVS 618	Public Lands Management	

Total Credits **3**

Upon successful completion of the prescribed courses listed above, University defined General Education, and elective requirements totaling 120 credits (with 40 at the 300-level or higher), students are eligible for their B.A. conferral. Students electing to complete MEM must follow the balance of their declared emphasis curriculum.

For a full description of the required Graduate coursework, please see the appropriate MEM program in the Western Graduate Catalog (<https://catalog.western.edu/graduate/programs/environmental-management/>).

Capstone Course Requirement

The following course in the History Major fulfills the Capstone Course Requirement: HIST 402 ENGAGING THE PAST.

Graduation Requirements

Undergraduate programs require a minimum of 120 semester credits for graduation. Of those 120 credits, 40 credits must be in upper-division courses (those marked 300 and above). Fifteen of these 40 upper-division credits must be earned in courses that are part of the standard or comprehensive major program being pursued.

Students are expected to review all graduation requirements, which can be found in the Western Undergraduate Catalog: Graduation Requirements (<https://catalog.western.edu/undergraduate/graduation-requirements/>).

Upon successful completion of the prescribed courses listed below, University defined General Education, and elective requirements totaling 120 credits (with 40 at the 300-level or higher), students are eligible for their B.A. conferral. Students electing to complete MEM must follow the balance of their declared emphasis curriculum.

For a full description of the required Graduate coursework, please see the appropriate MEM program in the Western Graduate Catalog (<https://catalog.western.edu/graduate/programs/environmental-management/>).
