

NUTRITIONAL SCIENCE MINOR

Program Requirements

Nutritional Science Minor

A minimum of 18 credits is required including twelve credits of NTR electives. Note: Because of prerequisite science coursework, this minor is most feasible for students who have completed foundational coursework in Biology and Chemistry.

| Code | Title | Credits |
|-----------------------------|-------------------|-----------|
| BIOL 300 | Basic Nutrition | 3 |
| ESS 185 | Lifetime Wellness | 3 |
| 12 credits of NTR electives | | 12 |
| Total Credits | | 18 |
