

NUTRITIONAL SCIENCE MINOR

Program Requirements

Nutritional Science Minor

A minimum of 18 credits is required including twelve credits of NTR electives. Note: Because of prerequisite science coursework, this minor is most feasible for students who have completed foundational coursework in Biology and Chemistry.

Code	Title	Credits
BIOL 300	Basic Nutrition	3
ESS 185	Lifetime Wellness	3
12 credits of NTR electives		12
Total Credits		18
